

REMARKS

The Substitute Specification has been amended on page 5, paragraph [0014] to delete any reference to Fig. 6 (which was inadvertently included therein).

In view of the above, Applicant submits that there no longer is any inconsistency between the drawings and the Substitute Specification, and respectfully requests withdrawal of the NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION.

Respectfully submitted,

by   
Edward W. Goodman, Reg. 28,613
